True holistic care supports the body's natural abilities of self-healing and regeneration

# *Holistic Dentistry for Better Oral Health*

**Dr. Ilona Fotek** and the team at Dental Healing Arts care for patients with a natural approach to dentistry. Our goal is to help all patients achieve and maintain a healthy, beautiful smile without resorting to harmful chemicals and toxic materials commonly used by many dentists. Your health, safety, and comfort are the ultimate priority, and we pride ourselves on serving patients with many treatments and services that are not otherwise available in the area.
