

ONE VISIT DENTISTRY

# CEREC®

*You don't have to wait for a beautiful **SMILE!***

Dental Healing Arts would like to introduce you to CEREC, a technology offered to save our patients time and provide remarkable, tailored restorations.

Dr. Ilona Fotek provides CEREC porcelain restorations, such as crowns, onlays, which are able to be produced right in the office.

There is no need to take a impressions and wait weeks for the crown to be ready for placement.

CEREC crowns speed up the treatment timeline, which is an attractive quality for many patients.

Ask about CEREC at your next visit to take advantage of this amazing, one-visit crown experience!
